online

My favorite things to do online are:

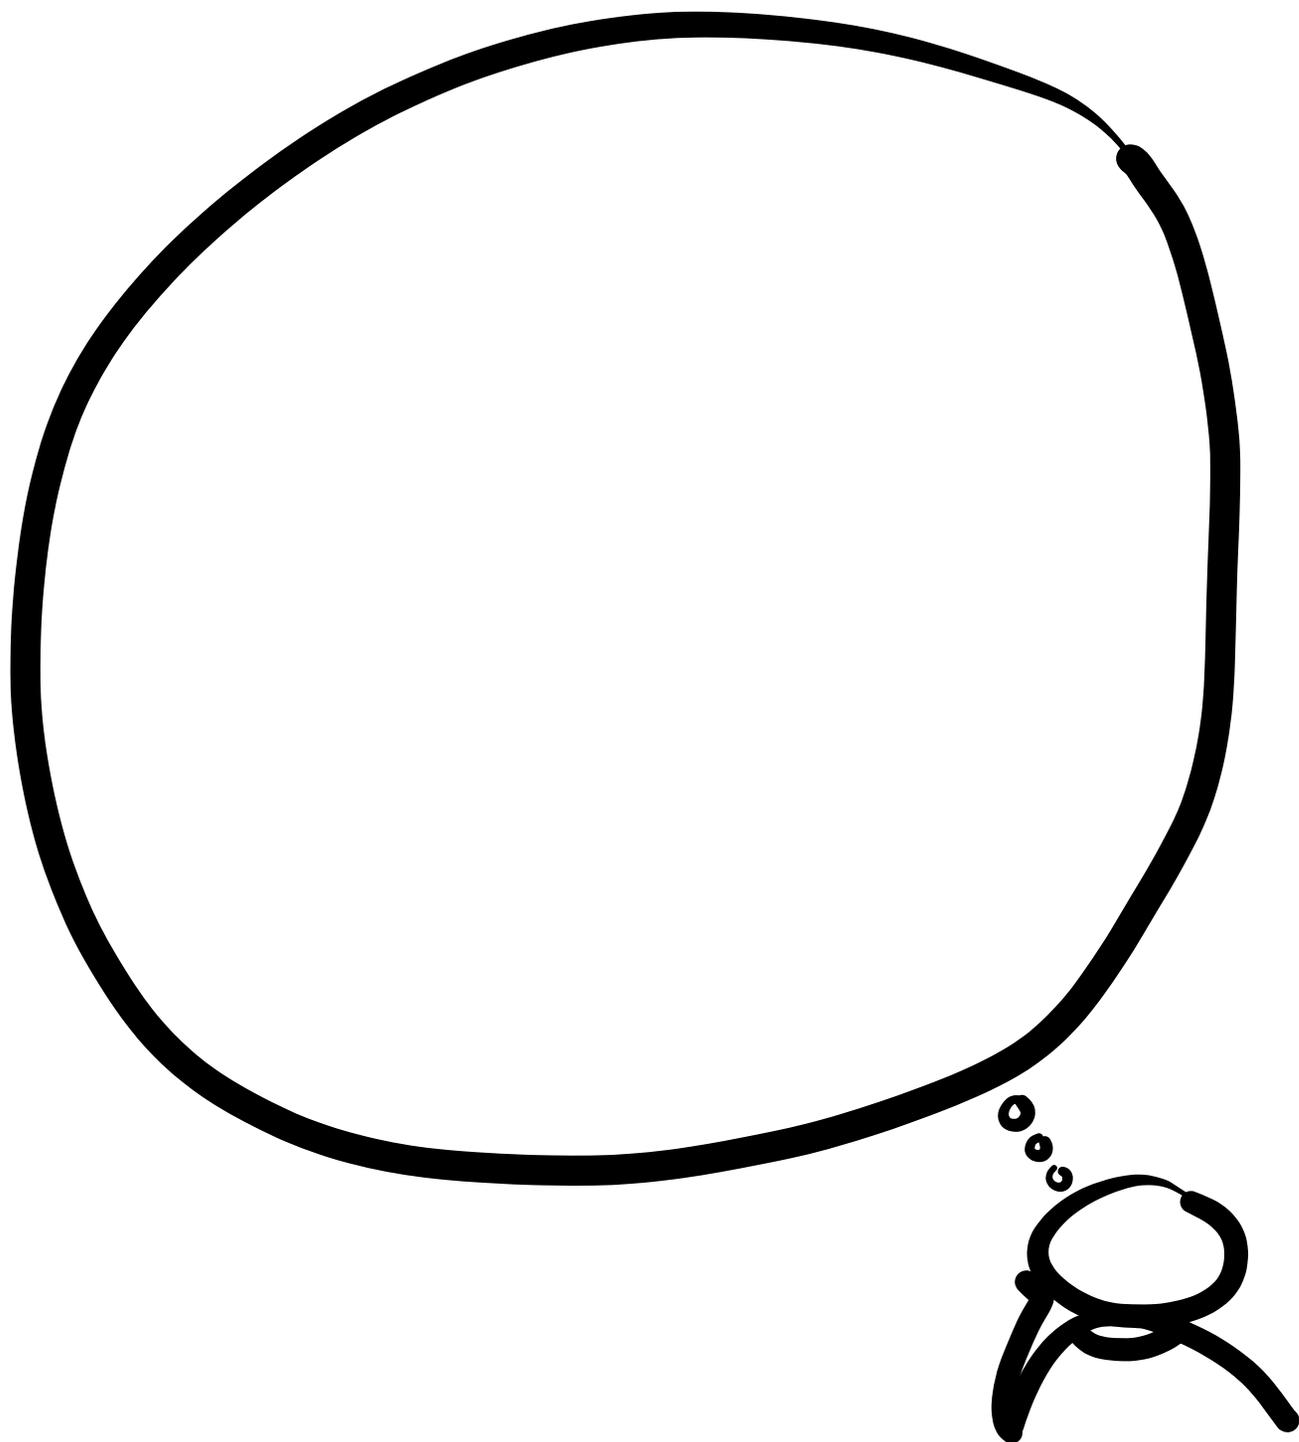

**What kind of things can you tell people online?
What kind of things should you not tell someone online?**

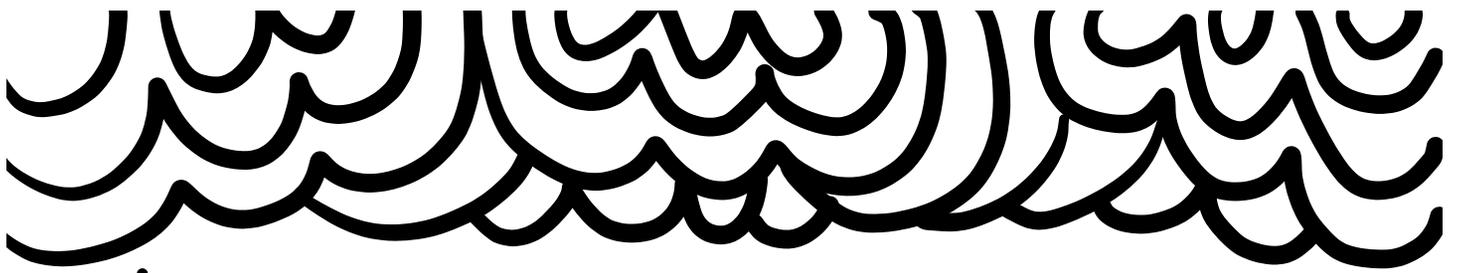

**When is it OK to share pictures of someone else online?
How about pictures of yourself?**

When is it OK to talk to someone you do not know online?

This is something or someone

I miss:

I am THE

BOSSES

of my

BODY

my
personal
space

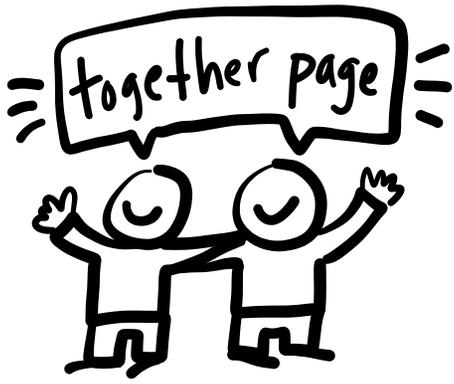

back away

This makes me
laugh

This makes me
worry

This makes me feel
tired

This makes me feel
hopeful

feelings

How many feelings
can you name?

I ♥ SPACE

a book about
you
& the people
around you
